

Nathan Khane Morales

San Francisco, CA, 94118 | (832) 306-6685 | nathankmorales@gmail.com | www.linkedin.com/in/nathan-khane-morales

Summary

Customer-first technology consultant and business development lead turned founder with 5+ years of experience leading data-driven go-to-market strategy and digital product transformation. Proven track record of enabling Fortune 500 clients to generate \$1M+ in contract revenue and scaling GTM funnels by blending UX thinking, AI experimentation, and storytelling as the connective tissue between engineering, marketing, and sales. Currently seeking startup partnerships, accelerator placements and investment.

Experience

Bridge

June 2025 - Present

Founder/CEO | San Francisco, CA

- Built an AI business intelligence platform from 0 to 1, executing multi-channel go-to-market programs that generated \$60K ARR in 3 months, driving early pipeline and brand visibility.
- Led 300+ hours of user research, leveraging 100+ user interviews to translate feedback into demo storylines, UI flows, and feature prioritization, driving 4+ product pivots and improving user satisfaction by 85%.
- Raised \$50K in angel investment to fuel AI partnerships, optimize product development and increase user acquisition 5X.

Capgemini

June 2023 - Feb 2025

UX & SAP S/4HANA Consultant | San Francisco, CA

- Led program management of the hyperscalers division for a \$10B software client, optimizing comprehensive deal-tracking methods and coordinating communications for account executives to facilitate over \$5M in partner deals.
- Developed analytics workflows for 4+ sales assessments to cut project data redundancy by 60% and improve the onboarding experience by 72%, giving stakeholders clearer views of system behavior.
- Organized 20+ professional and educational events in Capgemini's San Francisco office, strengthening partner relationships and deal momentum at a 95% satisfaction rate.

Khane Creative

Aug 2023 - Present

Founder & Creative Strategist | Los Angeles, CA | Austin, TX | Houston, TX

- Crafted brand positioning and marketing strategies for 5 artists in Los Angeles, Austin, and Houston.
- Facilitated cross-functional campaign execution across creative, production, and event venues to expand market reach by 75%.
- Drove content and partnership activation strategy that grew social audiences 0 to 65K and increased engagement opportunities.

Nexus Veterinary Specialists

May 2021 - June 2022

Business Development & Marketing | Houston, TX

- Built field marketing playbooks for new hospital launches, enabling commercial teams to secure \$100K in early pipeline.
- Coordinated launch activities across operations, marketing, and vendor onboarding to ensure the successful launch of 3 expansion hospitals (>\$1M in revenue).
- Formulated marketing KPIs and metrics based on 100+ hours of industry research to optimize commercial growth by 30%.

Education

University of Houston

Dec 2022

Bachelor of Business Administration, Entrepreneurship & Management Information Systems

Leadership & Community Impact

The Wolff Center for Entrepreneurship (Ranked #1 in the Nation by The Princeton Review)

Dec 2020 - June 2022

Fundraising Events Lead, Engagement Manager | Houston, TX

- Broke program fundraising record by 35% and earned \$325,000 by operating 40+ profitable events throughout Houston, turning community events into levers for revenue and coordinating a 3-day food festival on campus for 45,000 students.
- Hosted the inaugural entrepreneur's gala for an audience of 500+, managing event logistics, partner relations, content production, and venue sourcing.
- Developed 1 and 5-year plans to grow and enhance the alumni association which hosts 1,500 members and quarterly events.
